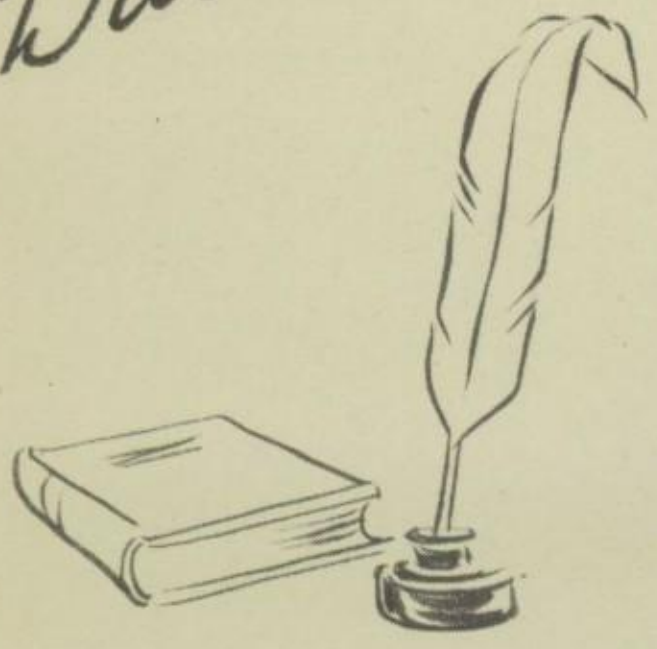
Dedication



This 1944-45 "Bull-Dog" is evidence that the fighting and energetic spirit of our Superintendent is taking hold in the student body of the Alexander Rural High School.

Supported by an efficient and loyal faculty and a willing student body, Mr. Mefferd is rapidly bringing the Alexander Rural High School to the front as one of the most outstanding rural high schools in Texas.

We are with him one hundred percent, and dedicate this annual to him.
